NETT CONTENTS	1 LITRE	5 LITRE

### DIRECTIONS FOR USE

Suitable for use with pesticide spray solutions to enable clear identification of sprayed areas. Agitate well before use.

RATE	VOLUME	CRITICAL COMMENTS
100ml	per 100 Litres of water	Higher rates are suggested where more intensive and persistent marking is required.

**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORIZED UNDER APPROPRIATE LEGISLATION.**

#### GENERAL INSTRUCTIONS

A red liquid marking dye to identify areas sprayed. A system that applies to all spraying situations that is a simple yet effective way of reducing costs as a result of over spraying or leaving areas untreated.

#### MIXING INSTRUCTIONS

Before adding to a spray tank or knapsack premix PRODYE RED with water at a ratio of 1:10. Once premixed solution is added to a spray tank or knapsack add more water to half fill the tank. While agitating the solution add other ingredients then add more water to fill the tank. To avoid discolouration of further spraying from product residue all spraying equipment should be washed out thoroughly after each use.

#### COMPATIBILITY

PRODYE RED is compatible with most commonly used agricultural and horticultural products. Always check the label of the product to be mixed with PRODYE RED.

#### PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

#### STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN

Store in the closed, original container in a well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse empty containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on-site. Break, crush, puncture and bury empty containers in a local authority landfill. If not available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose, clear of waterways, vegetation and roots. Empty containers should not be burnt.

#### SAFETY DIRECTIONS

Do not swallow. Avoid contact with skin or eyes. Wear rubber gloves, overalls and goggles or face shield. Wash hands with soap and water after use.

#### FIRST AID

If poisoning occurs, contact a Doctor or Poisons Information Centre Ph: 13 1126 Australia wide or New Zealand 03 4747 000.

#### CONDITIONS OF SALE

PRODYE RED is supplied as a high grade product and is suitable for the purpose which it is expressly intended and must be used in accordance with the directions for use. Because Grevillia Ag has no control over handling, storage or use of PRODYE RED, the business makes no express or implied representations or warranty (other than non excludable statutory warranties). This product is sold on the condition that the buyer and/or user assumes all risks of the handling and use of PRODYE RED as well as the results obtained from its use.
