### DIRECTIONS FOR USE

| SITUATION   | RATE (per 100L spray mixture)               | CRITICAL COMMENTS   |
|---|---|---|
| FUNGICIDES  | 30 - 60mL                                   | The use rates of PROSIL are given as a guide only.                                  |
| INSECTICIDES, MITICIDES   | 30 - 60mL                                   | Always follow directions of pesticide label where an organosilicone is recommended. |
| FOLIAR MICRO-NUTRIENTS  | 30 - 60mL                                   | Do not use if pesticide manufacturer prohibits surfactants.                         |
| HERBICIDES:   |   |   |
| General Post Emergent   | 50 - 100mL                                  |   |
| General Low Volume  | 100 - 200mL                                 |   |
| Glyphosate, metsulfuron<br>on gorse/bracken fern on<br>brushy/woody weeds | 200mL<br>100mL hand gun<br>200mL boom spray |   |

**NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORIZED UNDER APPROPRIATE LEGISLATION.**

### GENERAL INSTRUCTIONS

PROSIL is an organosilicone based surfactant containing a unique blend of various polymers. PROSIL is a highly efficient wetter/spreader/penetrant. It is effective with most agricultural chemicals unless otherwise stated on the label. While PROSIL has been proven to be a highly efficient surfactant, timing, weather conditions, method of application and/or mixture with other chemicals not specifically recommended are beyond the control of the seller. Therefore, the user should carefully observe spray deposits, rate efficiencies, compatibilities and effectiveness in initial applications and adjust the adjuvant rate accordingly.

### MIXING INSTRUCTIONS

1. Mix pesticide product with water when tank is about 30% full.
2. When tank is nearly full add PROSIL.
3. Complete filling tank.

### PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

### STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse empty containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on-site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose, clear of waterways, vegetation and roots. Empty containers should not be burnt.

### SAFETY DIRECTIONS

KEEP OUT OF REACH OF CHILDREN

Do not get on skin or clothing. Causes eye irritation. Do not get in eyes. Harmful if swallowed. Avoid breathing vapour or mist. Avoid using product in manner as to directly, or through drift, expose workers or other persons. Always follow the precautionary statements on the label of the pesticide(s) that are to be used with PROSIL. Applicators and other handlers must wear goggles or a facial splash shield; chemical resistant gloves, such as nitrile rubber >14 mils or neoprene rubber >14 mils; coveralls or long sleeved shirt and long pants; shoes plus socks and mists filtering respirator. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use wash goggles or face shield, gloves and any contaminated clothing.

### FIRST AID

If poisoning occurs, contact a Doctor or Poisons Information Centre **Phone: 13 1126** Australia wide or New Zealand **03 4747 000**. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open, flood with water for at least 15 minutes and see a Doctor.

### MATERIAL SAFETY DATA SHEET

Additional information is listed in the Material Safety Data Sheet (MSDS) which is available from the supplier.

### CONDITIONS OF SALE

PROSIL is supplied as a high grade product and is suitable for the purpose which it is expressly intended and must be used in accordance with the directions for use. Because **Grevillia Ag** has no control over handling, storage or use of PROSIL, the business makes no express or implied representations or warranty (other than non excludable statutory warranties). This product is sold on the condition that the buyer and/or user assumes all risks of the handling and use of PROSIL as well as the results obtained from its use.
