DIRECTIONS FOR USE

SITUATION	RATES	CRITICAL COMMENTS
Agricultural Spray Tanks	20 - 100mL/1000 Litres	Use rate will vary dependent upon amount of foam present. Where large quantities are forming better control may be achieved by prediluting D-FOAM 1:5 in water before addition to tank.
Dip Tanks	20mL/1000 Litres	Vary usage as required.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORIZED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

D-FOAM is a foam suppressant specifically designed for use in agricultural chemical sprayers and dip tanks (when grading stone and pome fruit). D-FOAM is designed to reduce the amounts of foam produced during agitation when mixing surfactants or other agricultural products in all situations. D-FOAM should be used before the build up of foam restricts the filling of the tank.

MIXING INSTRUCTIONS

D-FOAM can be added directly to the tank or premixed with water at a ratio of 1:5. Shake bottle well before use.

COMPATIBILITY

D-FOAM is compatible with most commonly used agricultural and horticultural products. Always check the label of the product to be mixed with D-FOAM.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or used containers.

STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN

Store in the closed, original container in a well-ventilated area, as cool as possible. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse empty containers before disposal. Add rinsings to spray tank. Do not dispose of undiluted chemicals on-site. Break, crush, puncture and bury empty containers in a local authority landfill. If not available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose, clear of waterways, vegetation and roots. Empty containers should not be burnt.

SAFETY DIRECTIONS

Do not swallow. Avoid contact with skin or eyes. Wear rubber gloves, overalls and goggles or face shield. Wash hands with soap and water after use.

FIRST AID

If poisoning occurs, contact a Doctor or Poisons Information Centre Ph: 13 1126 Australia wide or New Zealand 03 4747 000.

CONDITIONS OF SALE

D-FOAM is supplied as a high grade product and is suitable for the purpose which it is expressly intended and must be used in accordance with the directions for use. Because Grevillia Ag has no control over handling, storage or use of D-FOAM, the business makes no express or implied representations or warranty (other than non excludable statutory warranties). This product is sold on the condition that the buyer and/or user assumes all risks of the handling and use of D-FOAM as well as the results obtained from its use.
